WINCHESTER MULTICULTURAL NETWORK

The Winchester Multicultural Network addresses oppression in many forms.

We advocate for respect, equal rights, and justice for all individuals, regardless of race, gender, ethnicity, religion, ideology, socio-economic status, health, sexual orientation, gender identity, age, or physical ability.

We welcome your participation in our efforts to promote multiculturalism in Winchester.

We believe that multiculturalism is the process of moving beyond tolerance toward the embrace and celebration of the diversity in our community.

Join us in building a community that is nourished by the richness of our differences, perspectives, experiences, and talents.
